*Icelandic letters:*    ð/Ð (pronounced like *th* in English *this*)  
                                 þ/Þ (pronounced like *th* in English *think*)

In Monetary Bulletin, *ð* is transliterated as *d* and *þ* as *th* in personal names, for consistency with international references, but otherwise the Icelandic letters are retained.

*Symbols:*            \*    Preliminary or estimated data.  
                                 0    Less than half of the unit used.  
                                 -    Nil.
